PROFESSIONAL EXPERIENCE

RxSense, Business Analyst Intern, Boston, MA Summer 2024

- Led two research projects that focused on analyzing market trends and potential business challenges:
 - (1) Developed a business plan for a new product, an extension to their SingleCare card named BundleCareRx focused on corporate companies, to complement RxSense's product portfolio.
 - (2) Conducted market research on recent mergers and acquisitions in healthcare, including J&J acquiring Shockwave Medical and Boston Scientific acquiring Anoxics Inc, and their potential impact on RxSense's product portfolio.
- Led intern program in market research that was ultimately presented to Executive Team. Analysis included proof of BundleCareRx value, capital expenditure expectations, development of a revenue model and go-to-market plan.
- Participated in department rotational program to learn how various business units contribute to the company's growth.
- Met with Private Equity and Venture Capital professionals to gain understanding of their key focuses and considerations in their underwriting of potential investments.

Apogy Solutions, Intern, Los Angeles, CA Winter 2023

- Participated and scored exceptionally well in professional development courses on data management with Excel and computer securities.
